**Devonshire Farm/Kaitlyn Bear--Bend, OR?**

I saw a few ads for seemingly nice hunters on Dreamhorse posted by this farm, and the trainer Kaitlyn Bear. I wondered if anyone knows/has experience with this farm or trainer. I looked up USEF and local show records but didn't see any...not that that is a huge factor.

Seems she/they are new to Bend, Oregon and come from California. Have an acquaintance who found one ad interesting and am just doing a bit of background checking. 😊

Can I make assumptions from the resounding silence on this topic that she/the farm is not well known? Perhaps not all she/they are self-reporting on the website? Or not?

Anyone??

I think the problem may be that there is just not that many COTHers in Oregon. It is not a huge horse state....

Looks like she's from down here (San Francisco Bay Area) and had students on the circuit in our area, but I don't recognize her name or barn. Must have moved to Oregon in the last year or so. Sorry I can't be of more help! Maybe someone else will recognize the name.

Please beware of this "trainer." Kaitlyn Biear is smooth talking, shrewd and able to think on her feet and be very convincing. If it sounds too good to be true it is! Don't fall victim and be taken! All she wants is your money and will say and do anything to get it. There are plenty of reputable, ethical and trustworthy trainers and people selling horses out there but she is not one of them.

You might be surprised. 😊

I wonder if she has permission to use all the professional photos on her site. Sheri Scott, JumpShot, Blue Sky, just a few photog's marks I saw with no credit given in the caption.

I'm no help, Calvin, can't say I've ever heard of her. But I'd guess that if someone is using a free site with a .webs.com address and standing a QH/Paint 4 year old 15.1h stud as a "sporthorse sire", claiming that he has "smooth **gates**, wonderful scope over fences, and an excellent **Hunter format**" that maybe they aren't quite up to 'big time A circuit trainer' status, just yet. 😊😊

(ps. what's 'hunter format'?)

**Kaitlyn Biear of Bend Oregon**

I had a very bad horse transaction issue with her just last month, please beware. I agree with the previous poster, what a smooth talker. Since then I have found and recieved lots of information on what type of person she is. You do not want to get in any sort of relation with her, horse lease, sales, purchase, lessons or boarding. We had to call the police about our horse issue. I should have know when I googled her and found her mugshot, but I gave her the benefit of the doubt and thought people make mistakes. I was wrong, she is just bad!!! Save yourself a lot of stress and find a reputable trainer. I also found some horses on Dreamhorse under Windy Hill Farms that are her's.

Now wait one cotton pickin' minute! We are too a huge horse state! 🤖

I live near Bend and would be happy to ask around if you like, but it looks as though you may have gotten your answer 😊

👎 **Bad Person to do business with stay away!**

Oh where do begin with this young girl of age 22. She took me in as she acted so sweet and nice. She talked about her custody battle, and her ex loosing her 6 month old baby to the father. Why did that happen? HHHMM She has been arrested and you will see her mug shot under BendMugshots.com She lies about the age of her horses that she has listed for sale, Example she has a 20 year old + mare named Bo listed in the portland and Bend oregon area asking \$7,500 and the add says that the mare is only 15. LIE! The mare is 20 years old +. She also had a mare named Liera knowing that the mare had a HITCH in her back, walked with a limp with the hind leg. She also has a stud named Spider a quarter horse paint around 14. + hands that she just started to train for jumping.

This BITCH bailed on board and LIED about needing to take her stud to the vet to have him gelded. She took him to a different ranch called FLY SPUR Ranch in Tumalo Oregon.

She broke her 30 day notice along with the boarding contract with all three horses never putting any notice of leave in writing. She then threatened to steel hay from the barn, because she thought that she was being over charged for board.

She will facebook you be your friend to act like she is real nice and take you for granted. WATCH OUT!

We are now taking her to court to re claim the board money that she still owes! Which we will Win!

Anyone that crosses her path with fall victim to her lies and evil ways. She has bounced around from barn to barn to barn all over Central Oregon. She needs to go back to California where she belongs!

If you have her in your barn now you will have a barn full of Drama, and she will run off your good paying boarders.

I've received a PM asking me to delete this post as it is "damaging" to the trainer in question. I am sorry that a public discussion of her abilities and program has been deemed "damaging"--but if you play in the court of public opinion, you need to be playing fair and square I guess. No, I won't delete it.
